

## **Mazda MX-5 Cup Car Technical Service Bulletin #2021-05-28**

This recall covers SADEV equipped cars built or converted after 02-01-2020

This recall must be completed by 08-04-2021 MX5-Cup Weekend at Road America and received by Gear FX on or before 07-09-2021.

**Required: Differential Update - Required for the 2021 Competition Mazda MX-5 Cup Series.**

**This TSB describes: The Updated Differential Kit. This update/recall is being performed to ensure that all differentials are in spec and to assure the best performance levels.**

**Internal inspection and modifications are required with no cost to the competitor.**

**Updated Differential Kit includes:**

- Updated/revised Differential Cover (-8an inlet fitting, relocation of temp sensor)
- Upgraded Ring-gear bolts and washers
- Higher Torque Spec and Safety wiring Ring-gear bolts
- Upgraded fittings

**Installation: This update will require the competitor to remove the differential and ship it to Gear FX. Upon completion, teams must reinstall the updated differential.**

**Cost: Under these circumstances, the competitor will not incur Shipping or Differential Kit costs if received at Gear FX no later than 07-09-2021 or if Gear FX deems mis-use or unrelated damage. Shipping will be charged if not received by 07-09-2021 and a \$340 service charge will apply.**

**Shipping: Is the responsibility of the competitor, contact Flis Performance to receive shipping labels to Gear FX.**

**Flis Performance will need the following information for shipping labels:**

**Team Name:**

**Driver Name:**

**Chassis #**

**Shipper Address: (Address, City, State & Zip)**

**Shipping Weight and Dimensions: (Length, Width & Height)**

**Make sure to appropriately package the differentials for shipping. Once you have packaged the differentials, please contact Ashli Richardson with the above details. Flis Performance will then e-mail a Shipping Label to the designated contact for each team.**
